Around this time of the year, Concordia University Students' Association hosts their annual Winter Carnival, an event where students are given an opportunity to get involved, to socialize or just to have fun in a more relaxed surrounding.

Starting in mid-October, the Carnival Committee began planning and organizing this nine-day event. Over 50 people came forth with a desire to spend CUSA funds on making sure that you, the Concordia student, will have a great time between February 3 and 11. The committee kept many of the popular events such as the Pyjama Party, Pub Crawl, Bear's Birthday, and added a few new events such as the Sleigh Ride and Casino Nights.

So...All that's left now is for you to take part in the various events for Carnival to be a success. To those of you who are innocent and naïve, I want to remind you of a piece of advice I once received from an old sage a few years back: "Class! What class? Poof! Now you too can have an enjoyable Carnival!" Now that's our idea of how to savour every minute of Carnival.

Chris Mostovac and myself wish to thank the committee members from both campuses who have put in a substantial amount of time and effort. Without these dedicated individuals, there would be no Carnival and we, as students, owe them a great deal of thanks. I hope this will be your best Carnival ever.

Sincerely,

David Baird
